We find furnishings, objects and art that simply work well together. See our website for current and future artist shows.

104-106 High Street, Deal CT146EE | willandyates.com

Forty-seven artists show work in a variety of venues from small studios to large halls, over two weekends in June. Across eight miles of Kent coast, in Deal, Walmer, St Margaret's Bay and inland at Northbourne. As always, there is a fascinating range of work, both two- and three-dimensional.

Now in its nineteenth year, the Art Trail is a exciting event in East Kent's summer calendar. A new, additional event this summer is *Art at the*

Castle on 8th and 9th July, at historic Deal Castle.

SEAS members exhibit in smaller groups in *Margate's Pie Factory*, at *Ringwould* and as part of *East Kent Open Houses*.

Members have shown at *Turner Contemporary* and many other galleries, including the *Royal Academy*. Membership has grown significantly in recent years and now stands at 80.

To preview the Open Studios Art Trail, come to our *Small is Beautiful* show at St George's Hall in Deal, on Saturday 3rd June 10-4pm. The main Art Trail events take place on the last two weekends in June, 17th & 18th and 24th & 25th 10-5pm.

I am inspired by the character and simplicity found in folk art. My paintings begin with a series of simple drawings, which help me to understand and connect with my subject. I then begin to paint, using fluid strokes to create striking silhouettes of animals and people.
